REGISTRATION FORM

Welcome! We are easy to access. Our recordings are immediately available, without application, online at www.wstn.org.uk, on the Speech Talking Newspaper app, by telephone at 01743 387 287, and on Amazon's Alexa ("*Enable West Shropshire Talking Newspaper*") or any smart speaker.

We also record on USB memory sticks, delivered by Royal Mail Articles for the Blind Service. You can play these on computers, on digital radios with USB sockets, and on special USB player units. If you would like the postal service, you will need to complete this form and have one of the relevant certificates completed - see overleaf for details.

If you live within the western half of Shropshire (SY postcodes) and you do not have any means of playing a memory stick, we may be able to provide you with a player on free loan.

Please tick one of the following:-

- NO, I do not need a player.
 YES, I need to have a player on free loan.
